---

March 25, 2015

My name is Kevin Bertoldo, Chairman of the Board for the Devils Doing Good. Together with our Board of Directors, Jennifer Bertoldo, Nick DePorter, and Elizabeth Herbert, we would like to welcome you to the Devils Doing Good website. Thank you for taking an interest in our organization. .

Devils Doing Good is committed to our goal to promote volunteer work, to develop our communities, and effectively raise awareness of the importance of supporting local charities. We are a group of Arizona State University Alumni who all reside in the valley and have come together to raise resources and funds to effectively impact the future for our children here in Arizona.

After evaluating the needs of the community, it was clear to us that nothing is more important than for our communities to be safe and secure and for our families to grow and prosper. We started Devils Doing Good to help achieve these goals and to encourage others to give back to the communities in which they live.

Our focus is to kick off our first event to raise materials and goods for the Chandler CARE center. They are a school-based family resource center providing access to medical, dental, counseling, and social services. Most services are free of charge to the families thanks to the many funders, professional and service organization contributing financially and volunteering their services. Please check out their website to preview how they are impacting your community. ([www.chandlerCAREcenter.com](http://www.chandlerCAREcenter.com)). We will provide a list of supplies needed by the center once the details regarding the Launch Event date are confirmed. Please contact us at [devilsdoinggood@gmail.com](mailto:devilsdoinggood@gmail.com) in the meantime with any questions on how you can help or volunteer.

On behalf of the board and the many individuals who will benefit from your generosity, thank you for your support of this worthwhile cause.

Sincerely,

Kevin P Bertoldo  
Chairman of the Board
