## DIA DE LOS MUERTOS:TEQUILLA & TACO TASTING

### "Event Recap"

Chandler, Arizona (November, 2, 2017) Devils Doing Good partnered with The Henry's for the Fall 2017 event to benefit ICAN. On November 2, 2017 Nando's on Germann and Dobson, hosted The Dia De Los Muertos Tequilla and Taco Tasting Event. It was a huge success from start to finish. Nando's was extremely generous and donated the space, staff, food and the entire tasting to ensure every dollar raised was going directly to ICAN.

Each guest received 6 tastings of tequila and food for \$25. Each guest received a packet of information regarding each tasting so they could enjoy and remember everything they liked. Nandos hosted a tasty buffet for the guests as Michael Hatounian sang to our guests live on the patio.

The guests were able to upgrade their ticket where they received incredible table service with dinner served directly at their table vs using the buffet. The staff was top notch and accommodated every need before and during.

In addition to the live entertainment and great food, the guests were able to participate in a raffle. Prizes ranged from dinner and a movie, to vacations, to courtside tickets to the Phoenix Suns. It was a great addition to the night.

Together with The Henry's, we were able to successfully raise over \$6000. "This is an incredible outcome for the first event for The Henry's. We enjoyed the partnership and wish them continued success in their efforts to raise awareness and funds for ICAN." Kevin Bertoldo, Devils Doing Good President.

“Devils Doing Good participation in

Chandler Horizon Rotary Hole-In-One Annual Tournament”

Chandler, Arizona (June 2, 2017) - For over 20 years, the Chandler Horizon Rotary Club has been hosting their Annual Hole-In-One Fundraiser. Over the years they have successfully **raised more than \$630,000 to help local charities**. Last year they raised over \$30,000.

Devils Doing Good supported the Chandler Horizon Rotary Club by developing the website for the event ([www.rotaryhio.org](http://www.rotaryhio.org)). This helped channel online donations for the first time in the 24 years of this event. During the event, Devils Doing Good sponsored a raffle tickets for two buckets of 50 shots for \$1. Kelly Cunningham, a first time participant, won the first bucket and Cynthia Cannaert, a long time participant and winner of the tournament, won the second bucket.

During the tournament, HOPE Animal Assisted Crisis Response came to educate participants about their organization. Devils Doing Good interviewed the three volunteers with the organization and we were able to learn about the love and support these animals can bring to a crisis situation. Please take time to view their website to learn more about their mission. They are always seeking to build their network of certified canine assisted crisis responses teams to respond to local and national crisis situations. ([www.hopeacr.org](http://www.hopeacr.org))

For the first time in the 24-year history at Crowne Plaza San Marcos Golf Resort, they had a tie for first place. Both Cynthia Cannaert and Dennis McPeters knocked one of their final shots 17'1" from the \$100,000 hole. Both Cynthia and Dennis are longtime regulars of the event. They both decided to opt out of a shoot out and split the first and second place prize money and walked away with \$3,500 each.

Devils Doing Good is so excited to have participated and supported the Chandler Horizon Rotary Club. Their dedication to helping the community shines through their efforts every day. This year, the event raised \$25,000. Devils Doing Good attended their giving breakfast where the funds were presented to the charities. It was wonderful to witness everyones hard work produce such a positive impact to the community. Make sure to check out their website, [www.rotaryhio.org](http://www.rotaryhio.org) to review all details from the event.
